6	The resolution of the Bde meeting held dated 23.7.45 is for perusal. The Hl-el have agreed to all the conditions imposed in Govt no L1/2074-6 / 44 dt 19.12.44 & 14.6.45 in regard to the construction of a new Bamboo Bazaar to be undertaken by the Hlty. It has another to be pointed out that there was been some delay in giving effect to the resolution of the Hlcl which was passed nearly four months ago. The Hlcl may be asked to expedite action in this behalf.
"S"	(Sd) [illegible] 14.6.45
This will be done Sd/	The loan of 4 lakhs proposed to be given to the Hlty is made repayable in 15 annual instalments. The Hlcl have now resolved to repay it in 20 annual instalments. This may be permitted.
This may be approved Sd/	(C) The Hlcl want even the survey of two lakhs which is intended for acquiring the site & for providing other amenities to be placed at their disposal

It is not clear whether their request need be complied with in this behalf or whether the P W D or the Trust Board may not be entrusted with the provision of amenities such as roads, water, drainage etc in the area. After these are attended to, the existing petitioners are to be allotted sites for the construction of enclosures etc & compound walls, before handing them over to the sufferers in the accident. If this is ordered accordingly, the Revenue will be requested to draw up the declaration statement for the acquisition of lands under Sec 17 of the Act.

Another point alluded to in the resolution is that the report of the Bamboo Bazaar Fire Accident Enquiry Committee may be published. It may not serve any useful purpose to publish it now nevertheless if necessary to do so. No orders are issued on this point.

13 The loaning of Lakhs of rupees may be sanctioned, the same being carrying interest at 3% p.a. being made repayable in 20 annual instalments

states that the Municipal Council has resolved that the plot asked for by the Timber and Bamboo Merchants Association, in the open site to the east of the Lalbagh road and South of the Municipal drain, cannot be given and that a separate plot in Margosa road has been allotted for the purpose, and requests orders of Govt thereon

3(a) In the Govt no L 12074-5/ML 192-44-8 dated 14-6-1945, it was ordered, among others, that the new Bamboo Bazaar may be located in the open site east of the Lalbagh road and South of the Municipal drain and called for the opinion of the Municipal Council on this and other proposals

3(b) In the resolution dated 23-7-45, the Municipal Council agreed to the above proposal to construct the ~~Executive~~ Bamboo Bazaar in the area to the east of the Lalbagh road, pending shifting of the Bamboo and

timber yards to a suitable place in the industrial suburb as soon as it is completed and to locate them there permanently

There was a joint application from the Timber and Bamboo Merchants Association stating that the above resolution of the Municipal Council was not in consonance with the interest of the timber and bamboo merchants, and they requested the Govt to allot the plots to the east of the Lalbagh road to the Association for putting up the buildings

(i) The above application was considered by the city Municipal Council, which has on 18-2-46, resolved that the above site cannot be given to the Association specified above, as a separate plot in the Mysore Road has been fixed up

revised plan for the second stage of the Industrial Suburb Scheme, suitable provision would be made for the location of the new Bamboo Bazaar and the Timber Yard, and that the cost thereof would be met by the Trust Board in the first instance, and subsequently recouped by the sale of the sites

(iii) In view of the above, it does not seem necessary for the Govt to make any separate provision for the shifting of the Bamboo Bazaar and the timber yard

(Refer para 20 Subra)

re 1764

46) It would perhaps be desirable to provide once for all a suitable place as a permanent measure in the industrial suburb itself for the location of the Bamboo Bazaar & the Timber yard. The Chairman, C I D B Bangalore may be requested to expedite action in this behalf.

SUBJECT --

Report of the Committee appointed by Government in connection with the recent fire accident in the Bamboo Bazaar in Bangalore City

OPINION OF THE COUNCIL

(1) The Bamboo Bazaar should be shifted from its present site as it is highly vulnerable to fire

(2) The new bamboo bazaar may be located in the open site east of Lal-bagh road and south of the municipal drain

(3) The Government should acquire the site and provide the necessary amenities such as road, water, drainage and lighting at a total estimated cost of Rs 2 lakhs

(4) The site should be demarcated into plots and necessary structures constructed with provision for fire gaps between each enclosure or blocks of enclosures.

(5) This work ~~These works~~ which is estimated ~~are expected~~ to cost about Rs 4 lakhs ~~of rupees~~ may be undertaken by the City Municipality If the Municipality has no funds, Government will be prepared to sanc

Municipality sanction a loan of Rs 4 lakhs ~~of rupees~~ at 3% interest repayable in 15 years

(6) If the Municipality has not the staff to carry out the works expeditiously, the Trust Board will be asked to take up the works and complete them on behalf of the Municipality provided the Municipality agrees to the scheme

(7) If the Municipality agrees to the scheme, the ownership of the land ~~will~~ may be vested in it and the mth will also be required to frame suitable bylaws ~~for~~ to enforce them for the better regulation of the trade in the new Sth

9) Special loans may be granted in deserving cases not exceeding Rs 5000/- in any single case, on terms & conditions similar to Takavi loans

10) In ~~the case of these~~ deserving cases, who have lost more than 75 p.c of their stock in trade, timber other than teak not exceeding 300 c ft & bamboos not exceeding 10 cartloads may be granted at concessional rate of ~~75~~ 50 p.c

~~8) The City mths~~

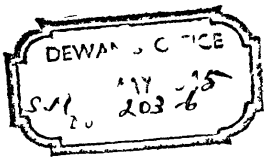
FILE No 194



Bangalore, 15th May 1945.

A copy of the Government Order No. L. 9804-11/Ml.192-44-1 dated the 31st March 1945 appointing a Committee to ascertain what relief could be provided to persons who suffered on account of the recent fire in the Bamboo Bazaar and to report what steps are necessary to prevent recurrence of such accidents in future, is herewith enclosed. The Committee has submitted a report with the following recommendations:-

1. Regarding the measures of relief to the poor families in the Shed colony whose huts have been burnt down no recommendation is made in view of the action already taken by the Municipality to afford them help in several ways.

2. In the case of the traders of the Bamboo Bazaar, we recommend the grant of special loans to those who have lost their all up to a maximum limit of Rs 5,000/- on the same terms and conditions as Takavi loans and that they may be helped to replenish their stock-in-trade by supplying them timber and bamboo at a concessional rate from the Forest Department subject to the maximum quantity suggested, the necessary waggon facilities being provided by the Railway Department.

2. We are unanimously of the opinion that it is very necessary to shift the Bamboo Bazaar to a less vulnerable spot.

3. We suggest the Industrial suburb on the Magadi road as the permanent location of the Bamboo Bazaar but temporarily, we propose the shifting of the Bazaar to the site to the east of Lalbagh and south of the Municipal storm water drain where the Government may provide the necessary lay-out and construct buildings and lease them out on favourable terms to the merchants for a period of 5 years in the first instance.

4. We do not consider it necessary at present to make any distinction between the wholesale and retail business, both types of business being permitted to be carried on in the temporary location of the Bamboo Bazaar, until

until it is shifted permanently to the Industrial suburb on the Magadi road when the maximum quantity in excess may be required to be stocked outside the City.

5 and 6. We consider it very necessary to regulate the conduct of business in the new site of the Bamboo Bazaar and that this may be done by a system of licensing, the Municipality being asked to frame the necessary bye-laws under the City Municipalities' Act on the lines of the draft bye-laws proposed by Dr. Koenigsberger and to secure compliance with the rules through special staff to be appointed for the purpose. Proceedings of the Government of His Highness the Maharaja of Mysore.

Order No L. 9804-11/Ml 192-44-1, Dated, Bangalore, the 31st March 1945.

The recent fire in the Bamboo Bazaar is not an isolated instance of its kind and is reported to have caused more damage than a similar occurrence in the past In order to ascertain what relief should be provided forthwith and what steps are necessary to prevent a recurrence of such accidents in future, the Government are pleased to appoint the following Committee with terms of reference as under, for consideration and report preferably in one week -

1 The Deputy Commissioner, Bangalore . President.
2 Mr M.A. Gopalaswamy Iyengar, Municip-l President, Bangalore
3 The Municipal Commissioner, Bangalore
4 The Government Architect.
5. The Special Engineer Officer of the Improvement Trust.
6 Mr C N. Narasinga Rao, Ex-President of the City Municipal Council
7 Majm ut-Tujjar A R A. Basith, Esq , Hardware Merchant, Bangalore.
8 Mr C M. Jaffar Khan, Timber Merchant, Bangalore City.

2. The Committee may examine, inspect and report on -

(i) What immediate measures of relief, if any, are necessary, particularly to be undertaken by Government,

(ii) Whether it is necessary to shift the Bamboo Bazaar from its present site,

(iii) If it is considered necessary to shift the Bamboo Bazaar, to which places it can be shifted,

(iv) Whether it is necessary to distinguish between retain and wholesale trade and if it is considered necessary, which places can be allotted for the retail-trade and which for the whole-sale trade,

(v) Whether it is considered necessary to distinguish between retail and whole-sale trade or not, what conditions if any, should be imposed for the transaction of the trade in the new site or sites,

and (vi) To what extent the business and trade in the new site or sites should be regulated or controlled by the Municipality.

The President is requested to arrange for the sittings of the Committee immediately and report not later than one week, so that the Government may proceed to take prompt action

4. We suggest the Industrial suburb on the Magadi road as the permanent location of the Bamboo Bazaar but temporarily, we propose the shifting of the Bazaar to the site ex to the east of Lalbagh and south of the Municipal storm water drain where the Government may provide the necessary lay-out and construct buildings and lease them out on favourable terms to the merchants for a period of 5 years in the first instance.

5. We do not consider it necessary at present to make any distinction bet een the wholesale and retail business, both types of business being permitted to be carried on in the temporary location of the Bamboo Bazaar,

until

until it is shifted permanently to the Industrial suburb on the Bagadi road when the maximum quantity in excess may be required to be stocked outside the City.

5 and 6. We consider it very necessary to regulate the conduct of business in the new site of the Kalleo Bazaar and that this may be done by a system of licensing, the Municipality being asked to frame the necessary bye-laws under the City Municipalities' Act on the lines of the draft bye-laws proposed by Dr. Koenigsberger and to secure compliance with the rules through special staff to be appointed for the purpose. *

The subject will be considered at the next meeting of the Council on Tuesday, the 15th instant.

Respected Sir,

Representation of Moulvi Abdul Razack Sheriff,
No 4, New Bamboo Bazar, Mothi Nagar, Bangalore

I am put up in Mothi Nagar close to the New Bamboo Bazar which caught fire on 23March 1945 As a result many of the residents in this locality are terrible affected from financial point of view - Some for no fault of theirs Un-fortunately I am one among them Old and poor as I am burdened with enormous responsibilities of maintenaining a large family of young ones, I feel I am hard hit beyond recovery for the following reasons -

When the fire broke out the Police along with others rushed into my house though it was not immediately in the affected area within the danger zone and indiscriminately began throwing all belongings including trunks, vessels, beddings etc , without heeding to any protest and instructing us to clear away. The safety of these articles was not at all arranged for with the result that they were lost soon after and the Police were not able account for it The total amount of property lost is about Rs 1,300/- as noted below -

1.	Two big copper 'Andas' (Caldrons), containing wheat and rice costing	Rs.75/-
2	Two medium size 'Andas'	Rs.35/-
3.	Seven copper plates (4 big and 3 small)	Rs.32/-
4.	Brass water pot	Rs.16/-
5.	Brass food carrier	Rs.12/-
6.	One hand watch (Favourluba - Swiss made)	Rs.75/-
7	Gold and Silver jewels	Rs.525/-
8	New cloths (purchased for wedding)	Rs.200/-
9.	Rugs (Five), carpets, bed-sheets, etc ,	Rs.100/-
10	Zink buckets, pans & iron instruments	Rs.50/-
11	Furnature (1 Almirah, 3 Chairs & Table) .	Rs.150/-
12	B o o k s	Rs.60/-

I have been undergoing untold miseries ever since this un-happy incident I am an old man of 70 years suffering from strock of Paralysis. In this condition there is no body to help me, I approach you Sir, with a request to render all possible help in order that I may be able to protect my young children and to perform the marriages of my son and daughter which were fixed next month May I add that I eagerly await the generous help by the benign Government under your administration for a person in my plight I beg to state that I have four boys and two girls studying in -- different schools and colleges.

With profound respects,

I beg to remain,
Respected Sir,
Yours Obediently,

بمبوبازار کی ہولناک آتشزدگی

بنگلور میونسپلٹی کی افسوسناک اور مذموم قرار

In an editorial commenting the Azad condemns the decision of the municipal council to acquire the Bamboo Bazar area as a merciless & provocative act which has caused a wave of anger among the general muslim public. The paper states that the opinion of the merchants should have been taken before the Mal council could resort to such a drastic step that this decision has aggravated the already distressing circumstances of the poor merchants. The paper adds that the municipal council has acted under the false a momentary impulse & should therefore retrace steps early.

Writing editorially both the papers state that about 63 shops were burnt out in the recent fire in Bamboo Bazaar and the total loss is estimated at about Rs 50 lakhs

Both the papers stress upon Govt the urgent need of coming to the aid of the Bamboo merchants in distress

They suggest that Govt should advance a certain amount free of interest to the merchants to start their business again

The Akbalam points out the immediate necessity of shifting the Bamboo Bazaar to some other place nearer the city

Both papers earnestly request the Govt to come to the relief of the Bamboo merchants & save them from utter destruction

Sir,
Your most obedient servant,

Municipal Commissioner

Proceedings of the City Municipal Council dated 23-7-1945.

Subject No 45

On the suggestion of Mr Mirza Azizulla Beig that subject No.45 might be advanced, the House gave its consent and xxk so, this subject was advanced

The President read out the G.O in this behalf and to a querry whether he had received any petition from the Bamboo Bazaar merchants, he said that like the other Members he had also received a copy of the petition from them And to another question as to the probable number of shops that could be accommodated on the proposed site for the Bamboo Bazaar, the President that they could put up near 100 shops

Mr .K Narayanaiengar then observed that he had some propositions to move in this behalf and with the permission of the House, moved the following resolutions -

1 Resolved that the Municipality do undertake the construction of the Bamboo Bazaar in the area to the east of Lalbagh Road, as per Government Order and (a) dealers in Bamboo be given shops on lease in the proposed Bamboo Bazaar

2 That as soon as the Industrial Suburb is completed, arrangements be made to shift bamboo and timber yards in the City to a suitable place in the suburb and to locate them there permanently.

3 That the offer of the Govt to make a grant of two lakhs of rupees towards the cost of acquisition and layout and a laon of Rs 4 lakhs at 3% interest to meet the cost of construction of the Bazaar, be accepted, the loan being repayable in twenty equal annual instalments.

4. That steps be taken to complete the construction of the buildings within a period of three months

5. That steps be taken to enforce strictly the bye-laws relating to dangerous and offensive trades and to prevent trade in Bamboo and other inflammable articlesfrom being carried on in the City without proper license.

6 That the old Bamboo Bazaar area be acquired and laid into shop sites and that arrangements be also made to sell the sites by public auction.

7 That the Government be requested to public the report of the Bamboo Bazaar Fire accident Inquiry Committee.

8 In moving the above, Mr M.K Narayanaiengar observed that, the Govt had done all that it could do to give relief to these people and had also thrust the responsibility on the Council to provide suitable place for the location of the Bamboo Bazaar and had offerred to give a loan for the purpose.

The present spot selected was only as a temporary measure at it was the intension of Government and the Council to locate the Bamboo Bazaar near the Magadi Road after the Industrial Buburb was formed, the idea being that, that the area was very near the Railway Station and the City and so was very advantageous to the merchants dealing in bamboo. After the shifting of the Bamboo Bazaar permanently to Magadi Road, the Municipality could easily sell the site chosen for temporary location of the Bazaar and realise the amount it might spend at present.

Mr V H Hanumanthappa seconding the propositions observed that the location of the Bamboo bazaar in Magadi road was very desirable from two aspects viz , (1) its nearness to the Railway Goodshed (ii) and the proposal to shift the Timber Yard also near the Bamboo Bazaar He observed that if it was felt that the period of three months would not suffice for putting up shops, they might add a rider that this period would count from the date of acquisition of the property

Mr A J Khaleel opposing the propositions said that the acquisition of the present Bamboo Bazaar would render the people thre homeless Further to ask them to shift themselves near the burial ground was neither proper nor desirable The Municipality ought not to deal in such matters like a business proposition This proposition would no doubt be financially a sound one to the Municipality, but they should consider the other aspect of the question also It was not right that the Municipality should earn any income at the cost of its ratepayers Further, there was no meaning in spending nearly six lakhs in a venture which was only temporary Instead of spending so much money for this stop-gap arrangement, why not spend the same amount in Magadi road for the permanent arrangement Also, the present proposal was only to lease the plots to these merchants This was also not proper since there were many amongst them who were capable of putting up decent buildings themselves So it was better the sites were given to them permanently

Those who were capable of putting up their own shops might be given sites permanently and those who were unable to construct their own buildings might be helped by the Municipality by constructing shops and leasing them to such people If necessary the Government might be requested to modify their order to this extent The Government should be informed that it was not proper to shift the Bamboo Bazaar people first to some place and when they had settled there and developed their trade, to ask them to shift from there to Magadi Road

Mr M A B while thanking the Government, for the relief measures undertaken by them said that these people were not willing to shift to the Industrial Suburb Further such frequent shifting was detrimental to the self-respect and prestige of the merchants Further, it was not clear why such a huge amount should be spent for an arrangement which was only temporary Since this question involved many important aspects, he suggested that a Committee might be formed to go into this in detail and send up a report He finally said that clauses 2 and 6 hit hard these merchants and might be omitted and that the word 'lease' in clause No 1 be replaced by the word 'hire-purchase' If these amendments were not done, he would oppose the entire propositions

Mr C N Narasinga Rao said that the clause about the acquisition viz , No 6 might be omitted

Mr A J Khaleel seconded the amendment proposed by Mr Mirza Azizulla Beig

Mr M K Narayanaiengar said that he had no objection to delete Cl No 6 as suggested by Mr Mirza Azizulla Beig But the object of acquisition was not to deprive these people of their lands After a regular layout was formed, these persons would be shown preference, and given sites The G O passed in this behalf was based on the report of the Special Committee which consisted of some prominent merchants in the line By shifting these people to Magadi Road, no body's self-respect was affected as the customers would go wherever these shops were built As regards the period of three months for constructing shops, he said that if it was felt that the time was insufficient, if the words 'period of three months' in Clause No might be deleted and the words' as early as possible' be inserted instead

This amendment was agreed to by the House

Mr C N Narasinga Rao then observed that by giving these people sites on hire-purchase system as suggested by Mr M Azizulla Beig they would become absolute owners of the same after some time and the Municipality might later on find it very difficult to shift them from those places, to the proposed area in Magadi Road If it was the intention of the Government to shift them to Magadi Road, it was upto Government to provide all facilities of transport etc , to them, So it was better that the grant m on lease as suggested by Mr M K Narayanaiengar might be accepted for the present

Mr M Azizulla Beig said that if all the facilities spoken of by Mr C N Narasinga Rao were given near the Industrial Suburb, then the merchants themselves would be tempted to shift to those areas But now it was too early to force them If the House was against the Hire Purchase system on the ground that later on the merchants might refuse to shift to the new area near Magadi Road, he suggested that a mutchalika might be taken from each of them agreeing to shift as soon as the Industriaml Suburb was formed

Then the amendment moved by Mr M Azizulla Beig was put to vote and lost, 6 voting For and 9 Against

Mr M Azizulla Beig demanded poll and Mr K M Naganna supported it The following voted for - Messrs Ramalal Thiwari, M Azizulla Beig, K M Naganna, C Chennaiah, S Ghouse Mohiyuddin and A J Khaleel

The following voted against - Messrs N Keshavaiengar, S Visvamurthy, H B Shankarappa, C N Narasinga Rao, K Shamarajaiengar, M K Narayanaiengar, V P Hanumanthappa, P R Ramachandragupta, G Nanjappa

The result of poll was 6 For and 9 Against

Then the main propositions with the deletion Clause No 6 and insertion of the words 'as early as possible' in place of 'within a period of three months' in Clause No 4 were put to vote and passed, 9 Voting For and 6 Against

Before the Government of His Highness the Maharaja of Mysore, Bangalore

Petition No of 1945-46

Humble Petition of the Timber and Bamboo Merchants of Bangalore City respectfully showeth -

1 Humble Petitioners have approached Government before for help and redress in respect of injuries occasioned to and suffered by them in consequence of the fire accident on 23-3-'45 They beg kind attention to their representations to the Dewan in April 1945 and to the Minister in the month of June 1945

2 They understand that the Municipal Council have resolved or are about to resolve to acquire the Bamboo Bazaar area, to evict petitioners therefrom and convert the same to a cloth or other market They are informed that measures are about to be initiated emergently in this behalf

3 Petitioners' representations have not yet received full and final consideration at the hands of Government and the shape of relief to be afforded is not yet determined

One of the alternatives suggested is to let

petitioners

petitioners be where they are, and allow them to carry on business where they used to during such time as a new and suitable habitat is not furnished and equipped

5 Change, dislocation and discontinuity of business means to merchants and businessmen, injury and damage which cannot easily be compensated Present eviction from their place of business without any place or abode to shift to, is indeed a dreadful prospect

6 Petitioners have been facing a calamity of the worst type Most of them are broken down They are braving life with the hope that Government will eventually do something to help them But to be ordered to quit from their place of business is indeed the last straw

They, therefore, beg that orders may be made issuing instructions to the Municipal Council, to postpone the question of acquisition and to consider and dispose of the matter relating to relief to be afforded to petitioners in the first instance

Subject No 45

Government Order No L 12074-8/41 192-44-8- dated the 14th June 1945, from the Law Secretary to Government re the shifting of Bamboo Bazaar from its present site and the relief to be given to the victims etc

---

On the suggestion of Mr Mirza Azeezulla Beig that Subject No 45 might be advanced, the House gave its consent and so, this subject was advanced

The President read out the Government Order in this behalf and to a querry whether he had received any petition from the Bamboo Bazaar merchants, he said that like the other Members he had also received a copy of the petition from them And to another question as to the probable number of shops that could be accommodated on the proposed site for the Bamboo Bazaar, the President said that they could put up nearly 100 shops

Mr M K Narayana Iyengar then observed that he had some propositions to move in this behalf and with the permission of the House moved the following resolutions -

1 Resolved that the Municipality do undertake the construction of the Bamboo Bazaar in the area to the east of Lalbagh Road, as per Government Order and (a) dealers in Bamboo be given shops on lease in the proposed Bamboo Bazaar

2 That as soon as the Industrial Suburb is completed, arrangements be made to shift bamboo and timber yards in the City to a suitable place in the suburb and to locate them there permanently

3 That the offer of the Government to make a grant of two lakhs of rupees towards the cost of acquisition and layout and a loan of Rs 4 lakhs at 3% interest to meet the cost of construction of the Bazaar be accepted, the loan being repayable in twenty equal annual instalments

4. That steps be taken to complete the construction of the buildings within a period of three months

5 That steps be undertaken to enforce strictly the by-laws relating to dangerous and offensive trades and to prevent trade in bamboo and other inflammable articles from being carried on in the City without proper license

6 That the old Bamboo Bazaar area be acquired and laid into shop sites and

and that arrangements be also made to sell the sites by public auction

7 That the Government be recuested to publish the report of the Bamboo Bazaar Fire accident Inquiry Committee

In moving the above, Mr M K Narayana Iyengar observed that the Government had done all that it could do to give relief to these people and had also thrust the responsibility on the Council to provide suitable place for the location of the Bamboo Bazaar and had offered to give a loan for the purpose The present spot selected was only as a temporary measure as it was the intention of the Government and the Council to locate the Bamboo Bazaar near the Magadi Road after the Industrial Suburb was formed, the idea being that that area was very near the Railway Station and the City and was very advantageous to the merchants dealing in bamboo After the shifting of the Bamboo Bazaar permanently to Magadi Road, the Municipality could easily sell the site chosen for temporary location of the Bazaar and realise the amount it might spend at present

Mr W H Hanumanthappa seconding the propositions observed that the location of the Bamboo Bazaar in Magadi Road was very desirable from two aspects, viz , (1) its nearness to the Railway Goodshed and (2) the proposal to shift the Timber Yard also near the Bamboo Bazaar He observed that if it was felt that the period of three months would not suffice for putting up shops, they might add a rider that this period would count from the date of acquisition of the property

Mr A J Khaleel opposing the propositions said that the acquisition of the present Bamboo Bazaar would render the people there homeless Further to ask them to shift themselves near the burial ground was neither proper nor desirable The Municipality ought not to deal in such matters like a business proposition This proposition would no doubt be financially a sound one to the Municipality, but they should consider the other aspect of the question also It was not right that the Municipality should earn any income at the cost of its ratepayers Further, there was no meaning in spending nearly six lakhs in a venture which was only temporary Instead of spending so much money for this stop-gap arrangement, why not spend the same amount in Magadi Road for the permanent arrangement Also, the proposal was only to lease the plots to these merchants This was also not proper, since there were many amongst them who were capable of putting up decent buildings themselves So it was better the sites were given to them permanently Those who were capable of putting up their own shops might be given sites permanently and those who were unable to construct their own buildings might be helped by the Municipality by constructing shops and leasing them to such people If necessary the Government might be requested tomodify their order to this extent The Government should be informed that it as not proper to shift the Bamboo Bazaar people first to some place and when they had settled there and developed their trade, to ask them to shift from there to Magadi Road

Mr Mirza Azeezulla Beig while thanking the Government for the relief measures undertaken by them, said that these people were not willing to shift to the Industrial Suburb Further such frequent shifting was detrimental to the self-respect and prestige of the merchants Further, it was not clear why such a g huge amount should be spent for an arrangement which was only temporary Since this question involved many important aspects, he suggested that a Committee might be formed to go into this in detail and send up a report He finally said that Clauses 2 and 6 hit hard these merchants amd might be omitted and that the word ' lease ' in Clause No 5 be replaced by the word ' hire-purchase ' If these amendments were not done, he would oppose the entire propositions

Mr C N Narasinga Rau said that the clause about the accuisition, viz. No 6 might be omitted

Mr A J Khaleel seconded the amendments proposed by Mr Mirza Azeezulla Beig

Mr M K Narayana Iyengar said that he had no objection to delete declare Clause No 6 as suggested by Mr Mirza Azeezulla Beig. But the object of acquisition was not to deprive these people of their lands. After a regular layout was formed, these persons would be shown preference and given sites. The Government Order passed in this behalf was based on the report of the Special Committee which consisted of some prominent merchants in the line. In shifting these people to Magadi Road, nobody's self-respect was affected

as 'the customers would go wherever these shops were built As regards the period of three months for constructing shops, he said that if it was felt that the time was insufficient, xt the words ' period of three months ' in Clause No 4 might be deleted and the words ' as early as possible ' be inserted instead

This amendment was agreed to by the House

Mr C N Narasinga Rau then observed that by giving these people sites on hire-purchase system as suggested by Mr Mirza Azeezulla Beig, they would become absolute owners of the same after some time and the Municipality might later on find it very difficult to shift them from those places to the proposed area in Magadi Road If it was the intention of the Government to shift them to Magadi Road, it was upto Government to provide all faiclities of transport etc , to them So it was better that the grant on lease as suggested by Mr M K Narayana Iyengar might be accepted for the present

Mr Mirza Azeezulla Beig said that if all the facilities spoken of by Mr C N Narasinga Rau were given near the Industrai Suburb, then the merchants themselves would be tempted to shift to those areas But now it was too early to force them If the House was against the Hire-purchas system on the ground that later on the merchants light refuse to shift to the new area near Magadi Road, he suggsted that a mutchalika might be taken from each of them agreeing to shift as soon as the Industrial Suburb was formed

Then the amendment moved by Mr Mirza Azeezulla Beig was put to vote and lost, 6 voting For and 9 against

Mr Mirza Azeezulla Beig demanded poll and Mr K M Naganna supported it

The following voted For - Messrs Ramlalthi ari, Mirza Azeezulla Beig, K M Naganna, C Chenniah, Syed Ghouse Mohiyuddin and A J Khaleel

The following voted against - Messrs N Kesaviengar, S Visva Murty, H B Shankarappa, R Parvathandra Gupta, C N Narasinga Rau, K Shamaraja Iyengar, M K Narayana Iyengar, W H Hanumanthappa, P V Ramachandra Gupta and G Nanjappa

The result of poll was 6 For and 9 against

Then the main propositions with the deletion of Clause No 6 and insertion of the words ' as early as possible ' in place of ' within a period of three months ' in Clause No 4, were put to vote and passed 9 voting For and 6 against

Subject - Re location of the Bamboo Bazaar and Timber Yards in a suitable place in the Industrial Suburb and the financial implication etc
- oOo -

With reference to your letter No 4078 dated 23rd November 1945 and subsequent reminders thereto asking for certain information re the financial implications of the proposal made by the City Municipal Council to shift the Bamboo Bazaar and the Timber Yard to a suitable place in the Industrial Suburb, I have the honour to state that in the scheme for the second stage of the Industrial suburb as planned by the Government Architect, there is provision to open a road to connect the New Goods Yard on the proposed Chord Line with the Sirsi Circle on the Mysore road The members of the Board inspected this locality and subsequently at the meeting of the Board held on the 13th March 1946, it was resolved that both the Bamboo Bazaar and the Timber Yard be shifted from the City and located on either side of the new road referred to above The Board also resolved that the second stage of the Industrial Suburb be taken up for execution along with the first stage A recommendation is under submission to Government to sanction the second stage In the revised plan for the second stage, suitable provision will be made for the location of the New Bamboo Bazaar and the Timber Yard and the cost of layout connected therewith will be included in the estimate for the second stage This means that the cost of the lay-out of the New Bamboo Bazaar and the Timber Yard will be borne by the Board in the first instance and subsequently

subsequently recouped by the sale of the sites to the Bamboo and Timber merchants In this view, it is not necessary for the Government to make any separate provision for the shifting and of the Bamboo Bazaar and the Timber Yard

NO.3. Read Memo No.L.12394, dated the 7th May 1946, from the Secretary to Government, Revenue Department, forwarding copy of Government's letter to the Municipal Commissioner, Bangalore, and asking for the definite opinion of the Board on the proposal of the Bangalore City Municipal Council to shift the Bamboo Bazaar, on a temporary basis at a cost of Rs. 6 lakhs in accordance with the Government Order dated the 14th June 1945.

The Chairman invited the attention of the Board to its resolution passed at the meeting on the 13th March 1946, and the discussion which took place in that connection. The Board had selected the valley at the head of the Hosa-Halli tank for the permanent shifting of the Bamboo Bazaar and the Timber Yard which were proposed to be located there on either side of the new road to be formed connecting the new Goods Yard on the Magadi Road with the Mysore Road near the Police lines.

Mr. A. J. Khaleel observed that the Bamboo Merchants were likely to agree to this proposal but not to the interim arrangement contemplated in the Government Order.

In these circumstances, the Board resolved to invite the reference of Government to the Chairman's letter No.1540 dated the 13th April 1946, on the subject and inform them, that as the Bamboo Bazaar merchants were opposed to the temporary shifting of their places of business on any terms whatever, the proposal contemplated in the Government Order dated the 14th June 1945 to construct a temporary Bamboo Bazaar in the open site to the east of the Lalbagh road and south of the Municipal drain at a cost of Rs.6 lakhs appeared to the Board as quite unnecessary.

ORDER NO Lo 13756-60 /

Bangalore, Dated, the March 1947
9/4/47

In the Government Order dated 14-6-1945, read above, passing orders on the recommendation of the Committee constituted in connection with the Bamboo Bazaar Fire Accident in Bangalore, the Bangalore City Municipal Council was requested to take certain steps to shift the Bamboo Bazaar from its present place in the City.

The Bangalore City Municipal Council considered the question and requested that (1) a sum of Rupees two lakhs may be given as grant for the purpose and (2) a loan of Rupees four lakhs may be given to the Municipality, carrying interest at 3% per annum and repayable in twenty equal annual instalments and that they would undertake the question of shifting the Bamboo Bazaar to the area to the east of the Lalbagh Road, in accordance with the said Government Order

In the meanwhile, the Bangalore City Improvement Trust Board resolved that both the Bamboo Bazaar and the Timber Yard be shifted from the City and be located on either side of the new road to be formed in the Industrial

Suburb area, that the cost be included in the Second Stage of the Industrial Suburb Scheme and that the sites be sold to the Bamboo and Timber Merchants and the cost recouped eventually This is intended to be a permanent arrangement for locating the Bamboo Bazaar and the Timber Yards in Bangalore

In view of the above resolution, the question of shifting the Bamboo Bazaar from its present location to the Lalbagh Road, as a temporary measure at an extra expenditure of nearly six lakhs, was further examined, in consultation with the City Municipal Council and the Trust Board
